The 9th Annual Martha's Place Charity Golf Tournament will be on Monday, September 25, 2017 at the Hunt Valley Golf Club. The event is to support Martha's Place, a Maryland State-certified recovery program for women overcoming drug addiction and homelessness.

Martha's Place offers both six-month transitional program and permanent housing phases. The program provides structured recovery to help women maintain sobriety and develop life-skills vital for independent living. Martha's Place serves many of the Baltimore area's most at risk women who struggle to overcome addiction and homeless histories of 20 years on average. For more information visit: marthasplace.org

The tournament will run from 9am-2pm at the Hunt Valley Golf Club just north of Baltimore in Phoenix, MD. There will be giveaways, contests, food, and competitive golf. This is a great opportunity to network, market and meet professionals and people making a difference.

In support of this event and Martha's Place, there is a registration fee of \$150 per golfer and \$550 per foursome. Separate charitable donations are also encouraged.
